# BEAR CREEK ZIPLINE KETCHIKAN • ALASKA

Enter the Bear Creek fly zone! This is the eco-adventure for those seeking excitement and exhilaration! The course built in the rainforest canopy includes a series of dual cable ziplines, Alaska's longest sky bridge and a Teflon coated mountain slide. Begin this adventure with a ride up a steep hillside in a custom 4x4 Mercedes Unimog vehicle where you will be outfitted in state-of-the-art-equipment before learning the art of zipping. Experience the panoramic ocean, forest and mountain views of Herring Cove. The rainforest reserve is located eight miles out of Ketchikan and is full of large Hemlock, Spruce and Cedar stands. From the final platform, you will rappel to the forest floor before zooming down a 250 foot mountain slide! Board the Unimog for a forest descent to the base camp. It is here you will be served a light snack and awarded a custom cast medal for achievement! View your photograph in the general store before your return transfer to downtown Ketchikan.
