

# Bear Creek Zipline Adventure

## BEAR CREEK ZIPLINE KETCHIKAN • ALASKA

Enter the Bear Creek fly zone! This is the eco-adventure for those seeking excitement and exhilaration! The course built in the rainforest canopy includes a series of dual cable ziplines and rappelling. Begin this adventure with a ride up a steep hillside in a custom 4x4 Mercedes Unimog vehicle where you will be outfitted in state-of-the-art-equipment before learning the art of zipping. Experience the panoramic ocean, forest and mountain views of Herring Cove. You will be challenged with a unique descent from platform to platform in a huge Western Hemlock and rappel to the forest floor from the last platform. Board the Unimog for a forest descent to the base camp. It is here you will be served a light snack and awarded a custom cast medal for achievement! View your photograph in the general store and receive complimentary admission to the Alaska Raptor Center's Exhibit before your return transfer to downtown Ketchikan.
