

# Rainforest Canopy & Zipline Expedition

# RAINFOREST CANOPY & ZIPLINE KETCHIKAN • ALASKA

Enter the Eagle Creek fly zone! Imagine the thrill of gliding through the top of the rich rainforest canopy along a series of dual cable ziplines and suspension bridges. This major rainforest reserve, bordering the Tongass National Forest embraces one of Alaska's richest salmon spawning streams and a pristine inter-tidal estuary. Begin with a ride up a steep hillside in a custom 4x4 Mercedes Unimog vehicle where you will be outfitted in state-of-the-art-equipment before learning the art of zipping. Your guides will then progressively ease you over the ziplines ranging from 100 to a pulse pounding 850 feet! Enjoy breathtaking views of the virgin forest below from up to 135 feet, and you may even be rewarded with one of the many wildlife sightings. Throughout this award winning adventure, you will be surrounded by the sights and sounds of the rainforest. Cross over the lush grassy wetlands from the final platform to a viewing tower 55 feet above the ground! From the tower choose from two rappelling options as you descend back to the ground in exciting fashion. It is here you will be served a light snack and awarded a custom cast medal for achievement! View your photograph in the general store and receive complimentary admission of Alaska Raptor Center's Exhibit before your return transfer to downtown Ketchikan.
